

EVAP2

Gold Evaporation Policy

You must first receive permission from SMIF if you plan to evaporate thicker than 250nm of gold. Gold evaporation runs will be billed as:

- Less than 250nm: no additional costs
- More than 250nm: \$150 for that run
- More than 500nm: \$300 for that run
- More than 1000nm: NOT ALLOWED

Platinum Evaporation Policy

You must first receive permission from SMIF if you plan to evaporate thicker than 100nm of platinum. Platinum evaporation runs will be billed as:

- Less than 100nm: no additional costs
- More than 100nm: \$60 for that run
- More than 200nm: NOT ALLOWED
