

Instructions for On-Line Annual SMIF X-Ray Safety Training

1. Go to the Duke Safety web site at <http://www.safety.duke.edu/>
2. Click on the "Online Training" quick link

3. Enter your Duke NetID and password
4. Click on the "Courses Available On-Line" tab on the left

5. Scroll down the list to find "Radiation Safety Training for SMIF Lab Personnel" and click on this link
6. Click the "Next" button to scroll through the presentation
7. Click on the "Quiz" button at the end of the presentation to take the SMIF X-Ray Safety Quiz
8. Answer all questions correctly to pass the quiz and satisfy the annual X-Ray safety requirement.
(Note – if any questions are missed, the system allows you to retake the quiz until all questions are answered correctly)
